They didn't say anything on the subject. They said it was signed but not up on the database yet. Not sure if that is planned or just inaction.

All, thanks for a good call today. As promised, attached is the Ameresco letter we referenced.

If you want to provide edits to a shared version of the latest Coyote Station/Coyote Creek paper, I'm going to send around a link now. Otherwise, feel free to use the offline version attached to today's meeting invite.
